

CLASS XII HOME SCIENCE (064) MARKING SCHEME (2016- 2017)

DELHI LOCAL 69/1

- I. The Marking Scheme carries only suggested value points for the answers. These are only guidelines and do not constitute the complete answer. The students can have their own expression and if the expression is correct, the marks be awarded accordingly
- II. As per orders of the Hon'ble Supreme Court, the candidates would now be permitted to obtain photocopy of the Answer book on request on payment of the prescribed fee. All examiners/ Head Examiners are once again reminded that they must ensure that evaluation is carried out strictly as per value points for each answer as given in the Marking Scheme.
- III. All the Head Examiner/ Examiners are instructed that while evaluating the answer scripts, if the answer is found to be totally incorrect the (x) should be marked on the incorrect answer and awarded '0' marks.

- v) Go on trip/cruise /picnic
- vi) Listen to music of own interest
- vii) Join clubs for entertainment.
- viii) Any other

(Any four)

[½ x 4=2]

10. What could be two conditions under which the Food Safety and Standard Authority of India (FSSAI) has declared the jaggery as adulterated? List two health hazards of consuming such jaggery. [2]

Conditions under which FSSAI declared the jaggery as adulterated

- i Jaggery adulterated with metanil yellow/ impurities /grit
 - ii prepared under unhygienic conditions
 - iii Made from insect infested /rotten sugarcane.
- (Any two) [½ X 2 = 1]

Health hazards of Metanil yellow:

- i Cancer
 - ii Abnormalities of skin, lungs, eyes, bones
 - iii Degeneration of reproductive organs
 - iv Sterility.
 - v Anaemia,
 - vi Lead accumulation
 - vii Mental retardation
- (Any two) [½ X 2 = 1]

OR

Effects of impurities/grit

- i. Gastrointestinal disturbances
 - ii. Stones
- [½ x4=2]

11 You plan to buy a durable fabric of a reputed brand from a reputed shop. What four features of the fabric you need to check to ensure its durability? [2]

- i Uniform yarns/ blended yarns/multi -ply yarns
 - ii High thread count
 - iii Sanforized / mercerised finish
 - iv Plain/rib /twill weave
 - v Warp and weft yarns are not off grain
 - vi Any other
- (Any four) [½ x4=2]

12 While designing a dress for an infant, what four features you would definitely keep in mind? [2]

- i Opening at shoulders
- ii Large necklines/plackets
- iii Extra allowance at hem and seams
- iv Flat seams
- v Reinforced knees
- vi Correct size
- vii Minimum trimmings
- viii Any other

(Any four)

[½ x4=2]

13. In spite of using chlorine tablets, the drinking water was declared unsafe. What could be four possible reasons for this? [2]

- i Ratio of chlorine and water was not correct
- ii Tablets expired
- iii Tablets kept in moist place
- iv Cap and mouth of bottle not rinsed
- v Tablet not dissolved completely
- vi Tablet not left in water for 10 mins /20 mins, if water more dirty
- vii Higher amount of pesticides/chemicals than permissible
- viii Any other

(Any four)

[½ x4=2]

14 Sixteen year old Garima 's friend Gunish wants to get physically intimate with her against her wishes. If you were Garima, in what four ways would you have refused him? Also give two reasons for your refusal? [3]

Four ways of refusal

- i. Say no very firmly and clearly without saying sorry
